PROFILE

I am an enthusiastic person who is always seeking new opportunities to grow and evolve. What I really love is to be part of a multidisciplinary team that works in exciting and challenging software projects. I enjoy analysing, developing and implementing solutions as individual programmer but also contributing to bigger shared projects in benefit of the wider community.

PROJECTS

Mobile apps developer

Contributor

Contributed in various open source software repositories.

Hacktoberfest is a month-long celebration of open source software. Maintainers are invited to guide would-be contributors towards issues that will help move the project forward.

EDUCATION

Computer Sciences Degree
