👤 PROFILE

I am an enthusiastic person who is always seeking new opportunities to grow and evolve. What I really love is to be part of a multidisciplinary team that works in exciting and challenging software projects. I enjoy analysing, developing and implementing solutions as individual programmer but also contributing to bigger shared projects in benefit of the wider community.

🎓 EDUCATION

COMPUTER SCIENCES DEGREE ⬏
33rd position in ARWU ranking
Studying 4th
Intending to graduate at the end of Summer 2020.
Intending to study a MSc (I.T. Engineering) and complete it at the end of Summer 2021.

ENGLISH COURSE ⬏
Level 6-II [Vantage] English language achieved
The CLM is the official language school of the University of Granada, recognised for its prestigious teaching of Spanish and other languages.

💼 PROJECTS

DEGREE FINAL PROJECT
Automatic detection of cognitive functioning from daily user-mobile interactions
The goal of this project is to develop a mobile system to automatically track and potentially detect relevant decline points in the cognitive functioning of a given person, for example, a change in the level of attention or the memory capacity possibly reflecting some functional loss.
Tutor: Oresti Baños Legrán ⬏

DEVELOPER ⬏
